3. Officers' Reports

Written reports were tabled by the Hon. Secretary, Hon. Master Points Secretary and Hon. Competitions Secretary. R. Anderson suggested that correspondence relating to a complaint of a personal nature and a potential disciplinary matter should be mentioned in the Hon. Secretary's report. He also raised a number of issues relating to the Camrose, Senior Camrose, respective trials and Premier League eligibility with the Competitions Secretary. The latter responded to each point while confirming that the correct rules governing the Premier League would be posted on the website.

A.Anderson expressed concern that the Millership Cup had not taken place this year.

4. Report of the Hon. Treasurer

N.Cauwood tabled his report together with financial statements for the year ended March 31st 2014. He was happy to announce an increase in revenue from competitions of some 60% and congratulated J. Murchan and I.Hamilton in their efforts to increase income via open NIBU competition entries and Inter-Club Competitions. He also congratulated the Chair on attracting 10 further clubs to affiliate – resulting in an uplift of 25% in affiliation income. He also thanked the other officers for their help and support throughout the past year.

5. Report of the Chairperson of the Selection Committee

R.Anderson raised a number of issues relating to trials and team selection. These were responded to by the Chair of Selectors.

6. Chairperson's Address

C.Burns tabled copies of her valedictory address and spoke of how much she had enjoyed her period in office. She regretted that the last year had been dominated by issues relating to a number of disputes between some of the most senior players but was proud to have witnessed an increase in club affiliation from 33 to 44 during the past season.

At this point C. Burns stood down and J. Bergin took the Chair.

The Chairperson thanked C. Burns for all her efforts and hard work throughout her term in office. He referred to her abundant enthusiasm, her very serious commitment to the NIBU and praised the indefatigable spirit she brought to the post of Chair. His comments were warmly received by members.
