Monday 5<sup>th</sup> February 2018

### 9<sup>th</sup> EBL NBO Officers' Seminar – Belfast

Dear Presidents, Officers and Delegates,

On behalf of the European Bridge League Executive Committee, we want, once again, to express our sincere thanks for your active participation in our NBO Officers' Seminar recently held in Belfast.

In both the plenary and group sessions, you showed a real interest in the various topics presented and became involved in the discussions at these sessions.

You shared your own experiences with the delegates of the other Federations, demonstrating a great enthusiasm and dynamism in promoting and developing Bridge, particularly among the young people who represent our future, in all parts of Europe.

We hope you enjoyed your visit to Belfast and were able to visit some of the many attractions to be found there. In particular, I hope you had your feet tapping along with our own version of Riverdance in the City Hall!

We look forward to seeing you all in Ostend in June

Sincerely yours,

Yves Aubry  
EBL President

Paul Porteous  
EBL NBOs Liaison Committee Chairman
