5. Ladies European Championship

IL spoke strongly against a proposal to provide supplementary funding in support of the Irish Ladies team. He reminded the meeting that the NIBU already part-funded the IBU on a formal basis and it was felt that should additional monies be needed the cost should be met through an increase in the official contribution. This was agreed by all present. It was further agreed that Council would readily support funds being raised by clubs to support NIBU members on Irish teams.

Concern was expressed by some members that red-points had not been awarded for two events despite them being flagged as such in the calendar.
